

Masters with Masters

The Academy of Program/Project & Engineering Leadership presents “Masters with Masters,” a series that brings together master practitioners to reflect on their experiences, lessons learned, and thoughts about upcoming challenges.

The Academy has developed “Masters with Masters” as part of its ongoing efforts to create a cohesive community of project management and engineering practitioners across NASA. This series will engage master practitioners in a conversation that yields fresh insights and promotes reflection and open sharing.

Special Guest Speakers:

Olga Dominguez

NASA Assistant Administrator, Office of Strategic Infrastructure

Michelle Moore

Federal Environmental Executive in the White House Council on Environmental Quality

Dr. Brian Nattrass

Co-Founder of Sustainability Partners

Topic: Sustainability in Government

When: Tuesday, March 1, 2011
